

Product Portfolio

Our Brands

Our trusted family of medical cannabis brands

CraftPlant, Aurora and IndiMed —

showcase an extensive portfolio of products and delivery methods, offering unique, research-based healthcare solutions.

Meet the family.

CraftPlant

+AURORA®

INDIMED®

CraftPlant

CraftPlant provides premium dried flower products, expertly curated for experienced cannabis patients seeking the highest quality. Each hand trimmed product caters to individual preferences with unique, one-of-a-kind cultivars of various THC and CBD concentrations. Our exclusive, terpene-rich CraftPlant products, with exceptional density and aroma, stand as the top choice in the market.

Terpene Guide

Terpene	Aroma		Potential Health Benefits	Vapourisation
β -Caryophyllene		Spicy (clove, cracked pepper)	Anti-inflammatory, mental health	165°C
α -Pinene		Pine	Anti-inflammatory, mood, memory	155°C
β -Pinene		Herbal (rosemary, dill, basil)	Anti-anxiety	155°C
β -Myrcene		Musky, earthy	Analgesia, anti-microbial, anti-fungal	167°C
Limonene		Citrus	Mood-alleviating, nausea, vomiting, pain	176°C
Linalool		Fresh, floral	Analgesic, mood-alleviating, sleep	198°C
Terpinolene		Pungent, smoky	Antioxidant	185°C
α -Humulene		Earthy	Anti-inflammatory	107°C
α -Bisabolol		Sweet, floral	Anti-inflammatory, Anti-microbial	154-156°C

This information is for educational purposes only and is not medical advice. Terpenes have not been evaluated by the TGA and are approved for flavouring purposes only.
